**Risk Warnings**

The Shares are aimed at sophisticated, professional and institutional investors. Any decision to invest should be based on the information contained in the prospectus of the Company (any any supplements or addenda thereto) which includes, inter alia, information on certain risks associated with an investment. The price of the Shares may go up or down and an investor may not get back the amount invested. Shares may be priced in US Dollars, Euros, or Sterling, and the value of the investment in other currencies will be affected by exchange rate movements. Investments in Shares which provide a short and/or leveraged exposure are only suitable for sophisticated, professional and institutional investors who understand leveraged and compounded daily returns and are willing to magnify potential losses by comparison to investments which do not incorporate these strategies. Over periods of greater than one day, investments with a short and/or leveraged exposure do not necessarily provide investors with a return equivalent to a return from the unleveraged long or unleveraged short investments multiplied by the relevant leverage factor. The prospectus of the Company may be obtained from [www.etfsecurities.com](http://www.etfsecurities.com). Please contact ETFS UK at +44 20 7448 4330 or [info@etfsecurities.com](mailto:info@etfsecurities.com) for more information.

**Restricted Investors**

The information in this document is designed solely for use in France, Germany, the Netherlands, Italy, the Republic of Ireland, Norway and the United Kingdom and complies with the regulatory requirements of these jurisdictions only, and is not intended for residents of any other countries. For French investors: The Company is a UCITS governed by Irish legislation and approved by the Financial Regulator as UCITS compliant with European regulations although may not have to comply with the same rules as those applicable to a similar product approved in France. The Fund has been registered for marketing in France by the Authority Financial Markets (Autorité des Marchés Financiers) and may be distributed to investors in France. Copies of all documents (i.e. the prospectus, the simplified prospectus, any supplements or addenda thereto, the latest annual reports and the memorandum of incorporation and articles of association) are available in France, free of charge, at the French Centralizing Agent, Société Générale, Securities Services, at 29 Boulevard Haussmann – 75009 Paris – France.
